By public transport

We are approximately a 2-5 minutes taxi journey from Canterbury East Train station (trains that arrive here depart from London Victoria) and we are also approximately 10 minutes taxi journey from Canterbury West (trains that arrive here depart from London Waterloo).

By foot

To walk from Canterbury East allow between 10-15 minutes. When leaving the station cross straight over the road and over the pedestrian bridge. When you get to the end of the bridge turn left down the stairs, when you have gone down the stairs carry on down the path. When you get to the end of the slope double back on yourself to walk through the park (Dane John Garden). You will exit the park on Watling Street. Turn left, straight over at the mini roundabout and we are not far along on the right.
