

## A school non-uniform day with a twist!

Porchlight is Kent's largest homeless charity. We also tackle the causes and consequences of poverty and inequality.

Your school can help us by taking part in a non-uniform day, dress up as your favourite superhero and raise vital funds for Porchlight!

The fundraising team at Porchlight can provide your school with a free assembly and in return, we ask that you kindly commit to hosting a non-uniform day. You will be making a real difference.

Be a hero for the day, and we can change lives together!
