

Needs and wants of a person who is homeless.

Low cost

No job or much money for rent so must be low cost.

Share a house

Costs are shared with other people and it will stop them from feeling lonely.

Support

To never be homeless again. Housing, education, money and health.

A job

Very important as we need money to pay for rent, food, and bills.

Food

People who are homeless struggle to find or pay for food so are often hungry.

TV

The streets are noisy, so the noise made by a TV can be reassuring.

Safety

Living on the streets is dangerous and terrifying.

A bathroom

It is difficult to wash and stay clean when you are homeless.

Time

To recover and turn their life around.

A bed

People who are homeless sleep on the floor.
